

# Cato Trail Blazers Newsletter

End of Summer 2019

**It's that time** of year again. While most people think its crazy to think about snow this time of the year, us snowmobile enthusiasts think differently. In a month the lakes will be too cold to swim in, sweaters will be worn daily, people will start firing up their heat source for their homes, and leaves will be changing.

**The club will be busy** getting fall work done on trails. Every year

there are changes to our trails, sometimes minor, sometimes major. Culverts will need to be put in, brush and trees cut, and new land owners will need to be contacted. This is truly a team effort. If you attend our meetings you'll learn what exactly needs to be done and you can decide how you can help.

**Meetings** are generally the 2<sup>nd</sup> Thursday of the month during the riding season. They start at 7:30 and typically end 8:30-9pm. Then some members hang out and talk informally. You'll find that members will be very welcoming to you if you attend a meeting. We are always excited to have new active members.

Facebook page. We know some of you may not be internet savvy, but we have found this is the most efficient, timely, and cost effective manner to keep our members and snowmobilers in general updated. If you have ideas for content on our webpage we'll consider any idea brought to us.

**Just remember** to check out website and/or facebook page for short notice events, trail work, trail updates, trail notices, other notices, etc. During the season these are updated several times a week.

**This year** we plan to have our usual events which include Snowmobile Safety Course, Groomer Operator Course, Trail Work Days, Christmas/Holiday Party, and whatever other ideas we can incorporate into our club. If you have an idea, please share it with us!

**Although our newsletter** only comes out a few times a year now, you can stay informed through our website and our

**First Meeting is Sept 12, 730.  
Open House is Sept 14, 11-1**

**We encourage** everyone possible to attend open house, see our grounds and equipment, so you know your dues are being put to good use, and meet people to ride with. Free lunch as always.
